Three words fly on every banner of the movement...
RIDDLE
Three words fly on every ARMY banner, a promise the official site still leads with. What does the XRP ARMY swear?

It lives in the handle. It lives in the collection.

**RIDDLE**

It lives in the handle @army_xrp589, and it is the exact size of the exclusive OG NFT collection. What number does the ARMY keep?

A movement remade to Ripple's high standards...

RIDDLE

The official site says XRP's own logo designer remade the movement, working altruistically. Who rebranded $ARMY?

Red days fade. True soldiers stay.

**RIDDLE**

When the chart turns red, the ARMY gives a three-word order, then a truth: red days fade, and true soldiers stay. What is the order?

A new issuer. A new listing. A new chapter.

**RIDDLE**

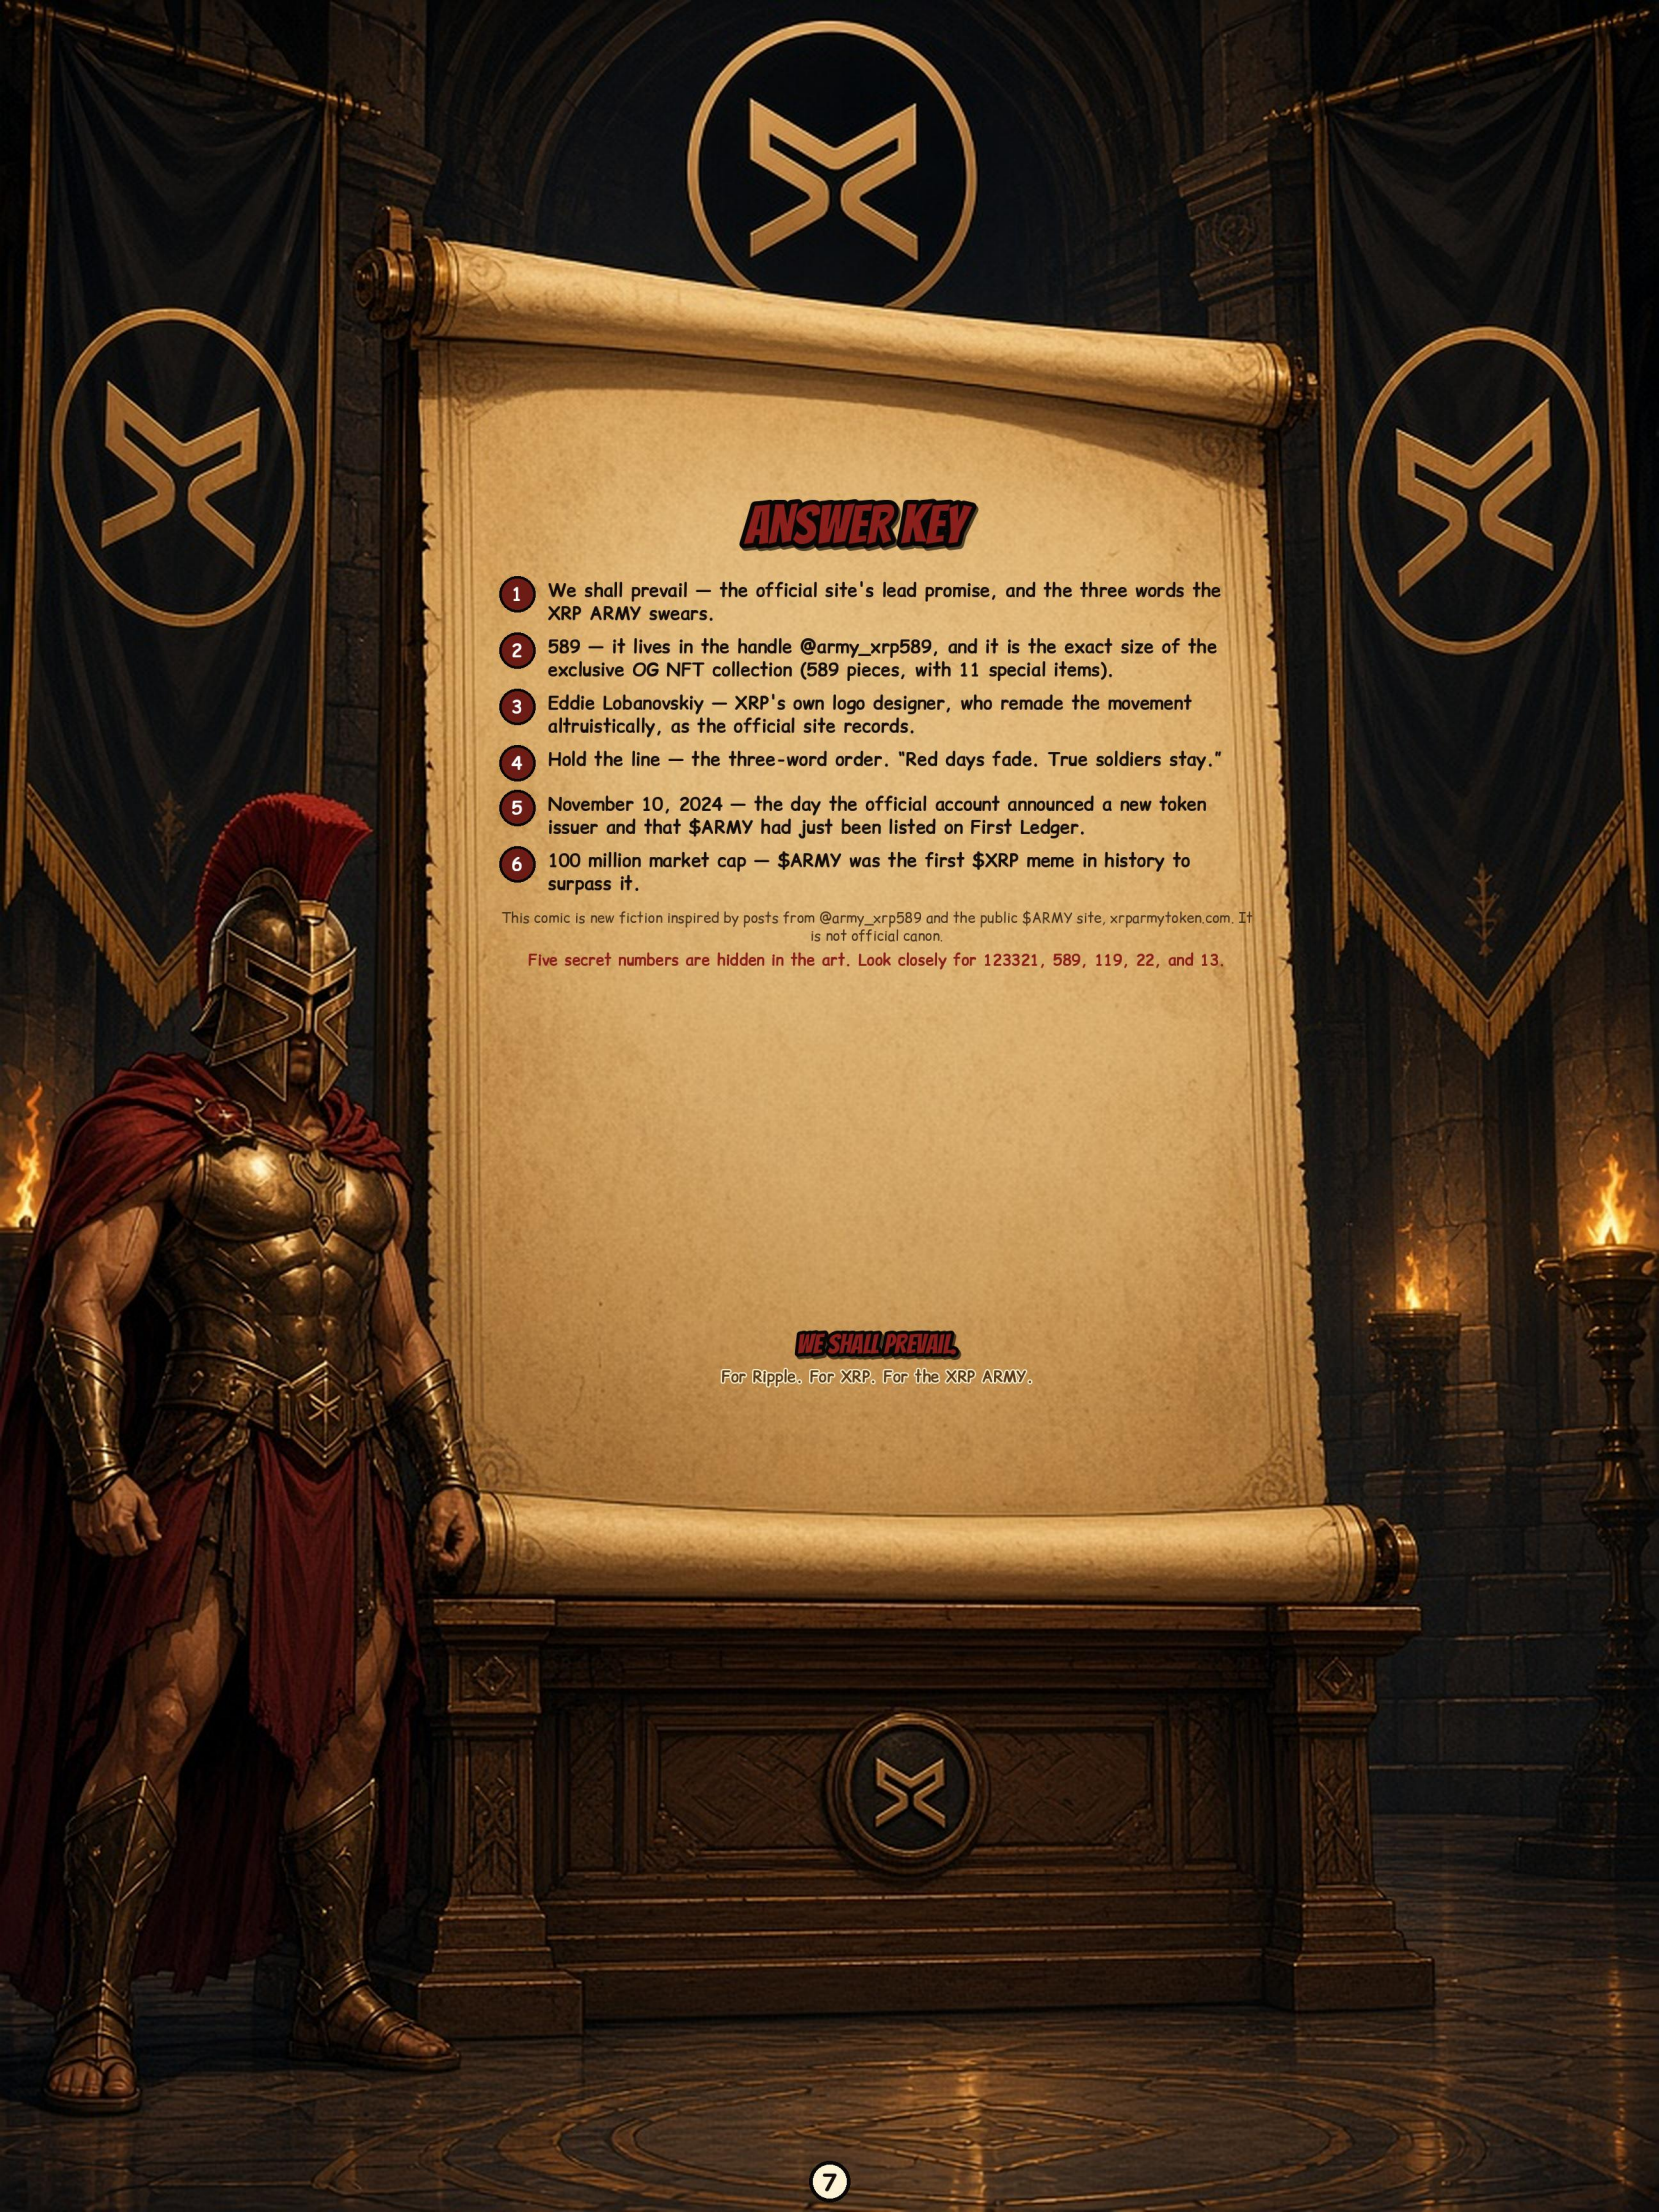

On this date the official account announced a new token issuer and that $ARMY had just been listed on First Ledger. What day was it?

The first $XRP meme in history to do it.

**RIDDLE**

They said it plainly: the first $XRP meme in history to surpass this mark. What milestone did $ARMY reach?

ANSWER KEY
1 We shall prevail — the official site's lead promise, and the three words the XRP ARMY swears.
2 589 — it lives in the handle @army_xrp589, and it is the exact size of the exclusive OG NFT collection (589 pieces, with 11 special items).
3 Eddie Lobanovskiy — XRP's own logo designer, who remade the movement altruistically, as the official site records.
4 Hold the line — the three-word order. "Red days fade. True soldiers stay."
5 November 10, 2024 — the day the official account announced a new token issuer and that $ARMY had just been listed on First Ledger.
6 100 million market cap — $ARMY was the first $XRP meme in history to surpass it.
This comic is new fiction inspired by posts from @army_xrp589 and the public $ARMY site, xrparmytoken.com. It is not official canon.
Five secret numbers are hidden in the art. Look closely for 123321, 589, 119, 22, and 13.
WE SHALL PREVAIL
For Ripple. For XRP. For the XRP ARMY.
